Beginning in 2009, *HealthInsight* began recognizing physician office practices for their effective use of health information technology, patient care management practices, as well as reporting of and exemplary performance on nationally-recognized quality of care measures. The Quality Award aims to promote excellence in health care.

"We are honored to commend these outstanding physician practices that exemplify the improvement of healthcare quality and outcomes for the residents of our state," said Marc Bennett, *HealthInsight* President and CEO. "Their commitment to excellence in healthcare delivery is evidenced by their achievement of this award."
